We Want to Know What You Think!

- Have you ever tried to use the ExpressCheckout?
- Do you use ExpressCheckout all the time?
- Have you ever seen the ExpressCheckout & wondered what it was for?

There is a research study going on in your library that wants to know what you think about checking out your own items!

We are looking for people 18 years and over who take materials out of the library. If you want to be part of a study that will benefit your library and get your voice heard, please contact us:

Michelle Whitehead, Masters Candidate at the University of Alberta

- phone me: 780-989-0051
- fax me: 780-989-0052
- email me: michelle.whitehead@ualberta.ca

All that is involved is one interview at a time that is convenient for you. This SSHRC-funded study will be taking place October 3-15, 2006 & has been approved by the University of Alberta Research Ethics Board.
